In response to the RFAI dated January 22, 2025, for the Amended 12 Day Pre-General Report (10/01/2024 - 10/16/2024) about the following one item(s):

1. Your amended report discloses a decrease in receipts totaling \$64,050.00 on Line 12 of the Detailed Summary Page from those disclosed on your original report.

a) The discrepancy in the decrease in receipts between the original report and the amended report was due to a software glitch causing the entry dates of a transfer from an authorized committee to be incorrectly saved. Only \$60,808.16 was transferred on 10/16/2024, not \$124,858.16, which was what was incorrectly reported on the original report. I discovered this discrepancy when preparing the post-general report, which is why I went ahead and amended the report so that the dates of the transfer were reported correctly. Should you have any additional questions, please don't hesitate to contact me at 484-888-9587.
