To Whom It May Concern:

We are in receipt of the letter from the Commission regarding the above-referenced report. Please see below for our complete response.

1) All contributions listed as excessive on our July Quarterly filing were temporarily excessive and pending reattribution or redesignation authorization from the donors. All of the excessive contributions listed on this RFAI have been resolved by reattribution, redesignation or refund, and those resolutions were included in our recently filed October Quarterly Report.

2) Concerning contributions received from possible unregistered organizations, both have been verified as federally permissible funds.

Thank you for the opportunity to respond. Please contact us if you need any additional information.

Sincerely,

Natalie Baur, Treasurer
