This is in response to your July 19, 2023 request for additional information related to the April 2023 Quarterly report for Tammy Baldwin for Senate (the “Committee?”).

1. The \$4,915.65 receipt from the U.S. Department of the Treasury was investment income on U.S. Treasury bonds purchased by the Committee. These entries have been updated to include a note indicating that the receipt was for investment income.
2. The disbursement to the Wisconsin Alliance Boys & Girls Club has also been amended. \$100 of this contribution represented a disgorgement of anonymous contributions in excess of \$50. Because the identity of the original contributors is unknown, the contributor information has not been itemized on the amendment. The remaining funds were voluntarily donated to the Wisconsin Alliance Boys & Girls Club, and were not a disgorgement of any excessive or illegal contribution.
