Dear Mr. Buhr:

This is in response to your letter dated July 8, 2021. In general, we are studying the issues that your letter raises, reviewing the data in the report and our documentation of revenue and expenses, and planning to amend our report. As you know, we also are working with FEC staff to amend previous year reports. As we continue to work through this process, our balances will carry forward accurately. In this report, we adjusted our starting balance to more accurately reflect our financial situation.

The other items are being corrected and an amended report will be forthcoming. For instance, we will provide complete address and purpose information for all disbursements by amendment, and full information on all vendors paid by campaign credit card. Please note that all interest rates are 12%; any that have been reported as 0.12% are by typographical error related to the software interface.

Sincerely,
Star Grayson, Treasurer
