Reference: Follow-Up to Previous Questions on Campaign Activity

Mr. Austin,

It is come to our attention that some of the questions put to the committee in previously issued Requests for Additional Information have gone unanswered. We would like to use this opportunity to clear up those remaining issues.

1. Allen Arvig: This donor had a \$500.00 charge back credit issued on 2/8/2021 and this transaction, due to a reset of the election cycle-to-date threshold, was not itemized on our 2021 April Quarterly Report.
2. Furman Moseley: This donor re-attributed \$2,800 to his spouse Susan Moseley on 12/17/2020. Due to an issue with the software used to file our reports with the commission, the negative transaction showing that activity coming from Mr. Moseley was not itemized on our 2021 Post-Run-Off Report.
3. Thomas/Tommy Bagwell: The contribution on 12/5/2020 from Tommy Bagwell that was listed on our Pre-Run-Off Report is the same as the 12/5/2020 memo from Thomas Bagwell that was referenced on our Post-Run-Off Report. In the time between when those reports were filed the first name for the donor was updated in our donor database software.
4. Myrna While: This donor had a significant number of charge back credits issued on 1/29/2021 and these transactions, due to a reset of the election cycle-to-date threshold, were not itemized on our 2021 April Quarterly Report. The result of these charge backs pushed this donor well under the per election contribution limit.

Thank you for the opportunity to respond. Please contact us if you need any additional information.

Sincerely,
Michael Goode, Treasurer
Georgians for Kelly Loeffler
