A diagram of a rectangular frame structure. It consists of two horizontal beams at the top and bottom, connected by ten vertical supports. The top beam has a small square support at each end and at each of the eight vertical support locations. The bottom beam has a small square support at each of the eight vertical support locations. The vertical supports are represented by short vertical lines with small squares at their base and top, indicating they are pinned or fixed at those points.

Maxwell Alejandro Frost for Congress

A diagram of a rectangular frame structure. It consists of two horizontal beams at the top and bottom, connected by ten vertical supports. The top beam has a small square support at each end and at each of the eight vertical support locations. The bottom beam has a small square support at each of the eight vertical support locations. The vertical supports are represented by short vertical lines with small squares at their base and top, indicating they are pinned or fixed at those points.
