Mr. Baisden,

The 30 day post-general report (10/18/2018-11/26/2018) has been amended per your RFAI dated 3/10/2019. The 24 hour report was submitted, but the file is no longer in FECfile (it is unknown why the system did not save the report) and this caused a data entry error on the post general report. The independent expenditures were erroneously listed as operating expenses on the Post General Report. The error has been corrected and the ending cash balance remains unchanged. Please feel free to contact the committee with any more questions.
