Dear Mr. Wai:

On May 30, 2001 you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your June 12, 2001 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Your response indicates that your Committee has requested redesignation of your contribution of December 13, 2000. The 2000 General Election was held on November 7, 2000. Please note that Contributions may not be re-designated for an election which has already occurred unless the funds are to be used to reduce a candidate committee's debts, if such debts exists.

An adequate response must be received at the Commission by July 11, 2001. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions for time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered

by the Commission prior to taking enforcement action.
