In response to the RFAI dated May 31, 2018 regarding discrepancies in our May monthly report (04/01/2018 - 04/30/2018) we today filed two amended reports (FEC-1219409 and FEC-1231703). We received a web donation from one of our members (Francis Rottier, DPM) on 3/15/2018 but this credit card donation was not processed due to a hold on the account resulting from identity theft. The credit card processor attempted to process the donation weekly over the course of three weeks and then requested a refund for failure to process. The refund was processed on 4/10/2018. Dr. Rottier then made a new donation on 4/18/2018. This is clarified in the amended reports. Please let us know if there are any additional questions or concerns with our reports.
