In response to the RAFI dated 1/12/21 in Reference to: 30 Day Post-General Report (10/15/20-11/23/20)

Item 1: 48 Hr reports not filed
Explanation A: The Lockheed Martin Corporation Employees' PAC is the same as Employees' Political Action Committee. The 48 Hr notice was filed as Employees' PAC and then the name was updated and reported on Sched A as Lockheed Martin Corporation Employees' PAC.
Explanation B: Securing Our Silvers PAC is a JFC that the software did not properly display on Line 12 along with the Memo entries. One of which is the Direct Supply Inc Partners PAC. The 48 Hr notice was filed for this but did not show as the memo entry for Securing Our Silvers on Sched A.

Item 2: 48 Hr Reports filed but not reported on Sched A
Explanation A: See above for Direct Supply Inc Partners PAC & Employees' PAC
Explanation B: David Congdon gave thru the Dan Bishop Victory Committee during the 48 Hour reporting period. The 48 Hr notice was filed on the FEC website but failed to put in the software to show on Sched A.

To clarify- all of the 48 Hr reports required were filed. I have Amended the 30 Day Post-General report that now shows the Memo entries for the Securing Our Silvers payout as well as the contribution from David Congdon. Please note that the initial name on the 48 hr report stating Employees' PAC should actually be Lockheed Martin Corporation Employees' PAC.
