Dear Mr. Glasson:

On August 7, 1996 you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your August 14, 1996 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-The Commission acknowledges your redesignation of the \$3,327.49 contribution to the runoff election for Greg Laughlin; however, Schedule B of your amended report still discloses \$3,408.41 in payments to your connected organization for Bob Currie and Greg Laughlin (pertinent portion(s) attached). 2 U.S.C. §441b prohibits a corporation or labor organization from contributing or expending funds for the purpose of influencing any federal election; however, a connected organization may pay for the solicitation and administrative costs of its separate segregated fund.

Please amend your report to clarify whether the payments to your connected organization were for expenditures which were intended to influence federal elections and provide the dates of the activity conducted by your connected organization. Although the Commission may take further legal action concerning this matter, your prompt action will be taken into consideration.

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.

If you should have any questions related to this matter, please contact Debbie Manzano on our toll-free number (800) 424-9530 or our local number (202) 219-3580.

Sincerely,

John D. [unclear]
