Date Donation Received

The diagram illustrates the structure of a date string. It is divided into three main sections: the month (12), the day (24), and the year (2024). Each section is enclosed in a box with a label above it: 'M' for month, 'D' for day, and 'Y' for year. The year section is further divided into four individual digits (2, 0, 2, 4), each with its own 'Y' label. The sections are separated by slashes (/).

The diagram shows a rectangular frame structure. It consists of 10 vertical bars and 2 horizontal bars. The top horizontal bar is a single continuous bar. The bottom horizontal bar is a single continuous bar with a central rectangular notch. The vertical bars are evenly spaced along the top and bottom horizontal bars. The frame is shown in a perspective view, with the top and bottom horizontal bars and the vertical bars connecting them.
