Dear Ms. Sinram:

The committee is in receipt of your letters regarding the committee's May and June Monthly FEC reports in which you reference Line 24/29 Column B issues.

Earlier this year, the committee changed its report construction and filing software. The issues you reference are clerical in nature and stem from that transition. The committee is working through the Column B data for 2016 and will file amendments as necessary to synchronize Column B between its reports. The committee's "in-period?" data, as previously reported in 2016 is correct to the best of our knowledge and information.

Sincerely,

Jacquelyn James  
Treasurer
