REFERENCE: AMENDED YEAR-END REPORT (10/01/2017 - 12/31/2017)

Dear Ms. Mongeon:

This statement is in response to the Commission's letter to the Committee dated March 8, 2018 regarding two items.

First, the Commission's letter requests clarification on contributions from 104 contributors that appear to exceed federal contribution limits. As described below, all of those contributions were properly redesignated, reattributed, refunded, or charged back, as will be reflected on either the Amended Year-End Report being filed concurrently with this response or the Committee's upcoming 2018 April Quarterly Report:

-Fifty-one of the listed contributors' contributions were redesignated to another election.

-Four contributors' contributions were either refunded or charged back to the contributor's credit card.

-Thirty-six contributors had contributed to the Committee but subsequently made additional contributions to either Trump Victory (C00618389) or Trump Make America Great Again Committee (C00618371) - joint fundraising committees ("JFCs") in which the Committee participates - which transferred the contributions to the Committee. Any excessive contributions that resulted from contributions received by the Committee through the JFCs have been returned to the JFCs for proper reallocation among its participants. (The reallocations will be disclosed by the JFCs on the appropriate report.)

-Finally, thirteen contributors' contributions were both in part redesignated to another election and either refunded or returned to and reallocated by the JFC from which the contribution was received.

Second, the difference between the amount transferred from Trump Make America Great Again (C00618371) and the individual

memo entries supporting the transfer constitute unitemized contributions. To the best of the Committee's knowledge, none of the unitemized contributors exceeded \$200 in aggregate for the election cycle. The Committee conducts continued and routine donor record maintenance. If during this routine record donor maintenance, the Committee identifies and merges the records of duplicate donors to reflect proper aggregates, the Committee will amend its report.

Please feel free to contact us if you have any further questions.

Sincerely,  
Bradley T. Crate
