FEC MISCELLANEOUS TEXT RELATED TO A REPORT, SCHEDULE OR ITEMIZATION**Form/Schedule: F3A****Transaction ID :**

Following completion of the 3Q2011 report, and the withdrawal of the candidate from the race, the Committee completed a comprehensive review of actual contributions and expenditures vs. those in the reporting system used to generate reports to the Commission. In part, this was due to what appeared to be an "overdraft" in the FEC reporting dated 9/30/11 that was inconsistent with some Committee records but could not be resolved appropriately prior to the reporting deadline. After exhaustive research with no full-time staff, the scaled back Committee determined a small number of contributions totaling \$31,200 made just prior to the close of the 6/30/11 period were input in one batch with incorrect coding by a well-meaning volunteer. Due to the coding error, they were not included in the reports to the Commission for the periods ending 6/30 and 9/30/11. This report, and a concurrent amendment for the subsequent period, corrects those errors, fully discloses those contributions in compliance with the law, and corrects the official record prior to the anticipate termination of the Committee in early 2012.
