To Whom It May Concern:

We are in receipt of the letter from the Commission regarding the above referenced report. Please see below for our complete response.

The missing 48-hour notice for our committee was an in-kind contribution that we did not receive notice of the final amount on until after our 48-hour notice report for contributions received on May 8, 2014 had already been filed with the Commission. We regret that this occurred and will work with those making in-kind contributions to our committee in the future to try and avoid an issue like this coming up again.

Thank you for the opportunity to respond. Please contact us if you need any additional information.

Sincerely,  
Bill Shuster for Congress
