2006 October Quarterly – July 1 through September 30, 2006

Dear Ms. Pittman,

Enclosed is the 2006 October Quarterly Report for Friends of Conrad Burns.

Our procedures for gathering identifying information for individuals who contribute in excess of $200 in an election cycle are as follows:

Our original solicitation includes a clear and conspicuous request for contributor information and informs the contributor of the requirements of federal law for the reporting of such information. If the information is not provided, we make one follow-up, stand-alone effort to obtain this information, regardless of whether the contribution was solicited or not. This effort occurs no later than 30 days after receipt of the contribution and is in the form of a written request. The follow-up request clearly asks for the missing information, without soliciting a contribution; informs the contributor of the requirements of federal law for reporting such information; and is in the form of a postage-paid, pre-addressed postcard (sample attached). Follow-up phone calls are also made to obtain the information. In the event the contributor has provided us an incomplete name, i.e., initials in lieu of a first name, we write or telephone the individual to request the information.

Upon receipt of the information, it is entered as "contributor information update" and is reported as a memo item for the reporting period during which the updated information is received.

Sincerely,

Lorna Kuney

Lorna Kuney
Deputy Treasurer
