To Whom It May Concern,

This letter is in response to the RFAI dated 1/14/25 regarding the 30 Day Post-General Report (10/17/24 – 11/25/24). This reference is actually incorrect, because the letter is referencing the April and July Quarterly reports for 2024. This response is to those two reports.

The reason that the transfers on line 12 exceeded the sum of memo Schedule A entries on the April and July Quarterly reports was due to incorrect instructions that came from our software vendor. They advised me to check a box that made the report exclude the unitemized transfer totals.

I have amended these two reports, and now there are entries showing the total of unitemized contributions as a memo entry.

Sincerely,

Tom Perry
