

On 7/21/08 the 2006 12 day Pre-General Report (10/1/06-10/18/06) was amended because a data entry error was discovered. A \$5000 contribution was received on 10/2/06 from the joint checking account of Dorene Kainz and Jeff Larson. The check was signed by Jeff Larson but mistakenly entered into the report as 'Jeff Kainz'. This amendment corrects this error.
