In response to RFAI letter dated October 4, 2022 we have amended our July report. We have not yet rectified the contributions from Elizabeth Stern and Elisa Spungen Stern who are two different identities with different names and contact information in our database. We are prepared to refund if we find that they are the same person. We also found that Tom Rogers was over the limit by \$100 and have refunded the donor. It will be categorized on our Post-General FEC report.
