Re: HillPAC, FEC Id. No.C00363994, March Monthly Report (2/1/06-2/28/06)

Dear Ms. Lewis:

This letter is in response to your request for additional information concerning HillPAC's (the "Committee's") March Monthly Report of receipts and disbursements, covering 2/1/06-2/28/06.

With respect to the expenditures for "Event Expense: Catering" noted by you, these expenditures were all for catering for generic events exclusively on behalf of the Committee's own activities. With respect to the expenditures for "Consulting/Fundraising" noted by you, these expenditures were all for general fundraising services exclusively on behalf of the Committee's own activities. None of the expenditures (nor any portion thereof) were related to or made on behalf of specific federal candidates. None of the events were held on behalf of specific federal candidates. None of the consulting services were provided on behalf of specific federal candidates. Accordingly, all of these expenditures were correctly reported. If the Committee makes any expenditures on behalf of specific federal candidates, it reports them as such on the appropriate line of its FEC reports.

With respect to the expenditures for "Consulting/Communications" and "Postage" noted by you, these expenditures were exclusively to assist the Committee with its own generic communications projects and activities. These expenditures contained no express advocacy, but, instead, were for the purpose of assisting the Committee in the preparation of written material on its own behalf, without any express advocacy. Finally, these expenditures were for neither a public communication nor for voter drive activity, and did not constitute either an independent expenditure on behalf of or an in-kind contribution to any federal candidate.

If you have any additional questions regarding this response, please contact us at your convenience.

Sincerely,

Janice Enright
Treasurer
