Memos related to joint fundraising proceeds are not always received from the joint fundraising committee during the reporting period in which a transfer is made. Proceeds collected by the joint fundraising committee are not immediately sent to a state party; rather, transfers are usually made on a regular schedule that does not always correspond to the filing periods of a recipient committee. As such, it is not uncommon for the joint fundraising committee to provide reportable memo contribution information before and/or after related transfers are made. In this case, related memo transactions were included on the committee's 2013 Year-End Report.
