Three contributions originally reported in PCA PAC's First Quarter 2015 report were inadvertently written from PCA's general fund instead of the PCA PAC account. The three campaign committees were notified of the error and issued reimbursements to PCA. The campaign committees impacted were Hoosiers for Rokita, Bill Shuster for Congress and Charlie

Dent for Congress. An amended First Quarter report removing these contributions was drafted in FEC File, but not filed with the Commission. New disbursements to all of the committees that received the erroneous contributions were made on April 27, 2015 and disclosed in PCA PAC's 2015 Mid-Year report. Because PCA PAC did not file the amended First Quarter report, there were discrepancies between the beginning cash balance of the Year-End 2015 report and the ending balance of the Mid-Year 2015 and incorrect totals listed on Lines 7, 11(a)(i), 11(a)(ii), 23, 31, and 32, Column B of the Summary and Detailed Summary Pages the Year-End 2015 report. Amended First Quarter, Mid-Year, and Year-End reports reflecting the returned contributions have been filed with the Commission.
