Dear Treasurer:

This notice is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- Schedule A of your report discloses aggregate year to date totals for contributions received which appear to be incorrect (see attached). Please be advised that federal regulations require aggregate year to date totals to include only those contributions which are received during the calendar year.
