Please accept this as my authorization and request to close out this committee. We submitted a committee cancellation report to the FEC on August 5, 2025 and followed up in February 2026. We were told then that FEC would find the request to close out the committee or contact us back with further instructions. We never heard from anyone.

This committee has not received any funds or incurred any expenses in 2025, the committee and campaign are closed.

Thank you for your prompt attention to this request and please confirm that all required paperwork to close out this committee has been received and is being processed.
