This is in response to the October 29, 2024, letter regarding the Cash on Hand Adjustment reported on the October Quarterly Report (07/01/2024 - 09/30-2024).

In 2019, the Committee changed treasurers and the bookkeeper at the time passed away. There was an attempt to conduct a multi-year review of the financials from 1996-2019, but, unfortunately, there were no records available. Because of this, reconciliation was not possible. Since July 2019, the cash-on-hand has been reconciled against the bank accounts.
