

This is in response to the letter dated 9/1/06 referencing the July Monthly report 6/1/06 - 6/30/06.

Regarding missing occupation information for individuals who contribute in excess of \$200 in a calendar year: The committee's procedure for obtaining the information is as follows: All of our original solicitations include a clear and conspicuous request for the contributor information and inform the contributors of the requirement of federal law. If the donor has not provided the information, the committee will either call or send a letter with return envelope to the donor asking for the occupation with no solicitation and again inform the contributor of the requirements of federal law for the reporting of such information. Usually this is done 10 days after the contribution is received. Contributor information received after the contribution has been reported will be filed and amendment either with or before the next regularly scheduled report.
