The Committee submits this statement to provide clarification on certain entries reflected on the Committee's June Monthly ('the Report'). With respect to any contributions by LLCs, contributors with mailing addresses outside of the United States, or non-federal committees reflected on the Report, the Committee has safeguards in place consistent with FEC regulations and guidance to ensure that all contributions are made by permissible contributors, using permissible funds. Furthermore, the Committee has reviewed all reimbursements to individuals for travel and subsistence and confirms that no further itemization is required on the Report for these expenditures under FEC regulations. Any difference in the amount of reimbursement live entries and their supporting memo entries is the result of reimbursements to vendors that did not exceed the \$200 itemization threshold for the election cycle.

Form/Schedule: F3XN

The Committee follows the three-fold process required to meet the Commission's best efforts standards. Every solicitation includes a clear and conspicuous request for contributor information and informs the contributor of the requirements of federal law for the reporting of such information. If the information is not initially received, within 30 days of receipt, the contributor receives a request to provide this information. Any follow up request clearly asks for the missing information and does not contain a solicitation for a new contribution. These requests are generally made by phone or email or by letter. This request restates the requirements of federal law for the requesting and reporting of such information. If the request is sent by mail, it includes a pre-addressed return envelope. If the information is received by the Committee, it is updated and the affected report will be amended to reflect the new information or the Committee will submit the new information via miscellaneous filing.
