The event year-to-date total calculation for the Administrative category was reflected on the H4 previously reported. However due to a software issue the total was split into 2 amounts and reflected in separate locations on the H4. The software issue has been corrected and the H4 now reflects one combined year-to-date total calculation for the Administrative category. Please note that employees of the Committee that spent less than 25% of their time on Federal Election Activity were paid on the Schedule H4 uniform split. Expenditures listed on Line 21B did NOT meet the definition of Federal Elections Activity. In addition, all fundraising events and related payments made during this period were Committee fundraising and not on behalf of a Federal Candidate. Please note that no funds transferred into the Committee were earmarked for any exempt activity. These costs met all requirements for exempt activity rules. The Committee's safe harbor practices were in place to ensure this. The Committee has confirmed that the contributions received from non-federal committees consisted of federally permissible funds. The non-firm consultants are sole proprietors and not employees of the Committee. The digital communication payments were not on behalf of a clearly identified candidate for Federal office and did no promote, support, attack or oppose any such candidate for Federal office.
