Dear Sir:

I am in receipt of your letter dated March 27, 1997. Although neither the March 1995 FEC Campaign Guide For Nonconnected Committees (page 14) nor the Notification of Multicandidate Status FEC Form 1M mention specifically that the contributions must be made to five different federal candidates, your letter clearly states that they must. However, in the March 1995 FEC Campaign Guide For Nonconnected Committees (page 14), there is a provision that "the five qualifying contributions may be made over more than one election cycle". Is this true? If so, could I amend my Form 1M to reflect federal contributions made earlier during the 1994-1996 cycle that would qualify us for multicandidate status after the Harsdorf For Congress contribution made on 9/9/96?

Thank you for your attention to this matter and I would appreciate any guidance you could give me on my latest question. I would like to wait to file my other amendments until I hear back from you on this matter. If that is a problem, please feel free to contact me at 414-646-2110h. I am not at home during the day but you can leave a message on my answering machine. Thank you again for your help.

Sincerely,

  
Brett Healy  
Treasurer
