Re: unitemized contributions disclosed on line 11(a): Be advised that none of the contributors in the unitemized contribution category have reached the \$200 aggregate. These unitemized contributions represent small (\$.05 and \$.10) hourly contributions made by individual union members. While a small number of our members (approximately 1%) do reach the aggregate \$200 amount requiring itemization each year, none do so this early. Virtually all members reaching the \$200 aggregate do so in the fourth quarter of the calendar year. Re: line 15 entries. The allocable non-federal share of these refunds/settlement will be disclosed on H4 on our next filing.
