Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- Schedule A of your report discloses a receipt(s) from your connected organization totaling \$72,055 for the apparent misdeposit of funds originally intended for your connected organization. 52 U.S.C. §30118 (formerly 2 U.S.C. §441b) prohibits the receipt of funds from national banks, corporations, and labor organizations, except that a connected organization may pay for the solicitation or other administrative costs of its separate segregated fund. 11 CFR §114.5(b)(3) Further, you are advised that contributions deposited in a federal account must meet the following conditions: the contributions are designated or expressly solicited for use in connection with federal elections and contributors are informed that their contributions are subject to the limits and prohibitions of the Act. 11 CFR §102.5(a)(1) and (2) Please amend your report to identify the original contributor(s) for this receipt(s) on a MEMO Schedule A.

If any apparently prohibited receipt(s) in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information.

Although the Commission may take further legal action concerning the apparent misdeposited funds, your prompt action in refunding or transferring out these funds will be taken into consideration.
