REFERENCE: OCTOBER QUARTERLY REPORT (07/01/2022 - 09/30/2022)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- It appears that Schedule A of your report discloses the receipt of anonymous contributions that exceed \$50. Please be advised that federal regulations prohibit an individual from contributing anonymous contributions which, in the aggregate, exceed \$50. If any receipt in question was incompletely or incorrectly reported, you must amend your original report with the clarifying information. If the committee has been in receipt of an anonymous contribution greater than \$50, the excessive amount must be promptly disposed of and may be used for any lawful purpose unrelated to any Federal election, campaign or candidate. In an amendment to this report, please inform the Commission of your corrective action immediately in writing, if you have not already done so. (11 CFR § 110.4(c)(3))

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just
