Reference: Request for Additional Information issued 9/11/22

Dear Ms. Kelly

The Request for Additional Information states that the committee may have failed to file one last minute 48-hour notification report during the 48 hour reporting period. Leora Levy for US Senate, Inc. has very firm, written procedures in place for 48-hour notification filings. Through our compliance firm, the Committee provides multiple notifications of the 48-hour requirement to all fundraisers, agents, and staff of the Committee, both prior to and repeatedly during the 48 hour filing period. All relevant parties provide documentation and verify all contributions and provide them to our compliance firm for filing. All contributions are further sent overnight to the compliance firm to physically verify and deposit.

In this instance, the following occurred: Leora Levy provided a Candidate in-kind to the campaign totaling \$1,440.31. The information for this in-kind contribution was inadvertently missed in providing it to the compliance firm who does the filings until much later as the July Quarterly report was being prepared, and well after the 48 hour reporting period closed.

The campaign is very serious about following the law and proper procedures and has always acted in good faith to adhere to federal election regulations.

Please do not hesitate to contact us should you have any further questions.

Sincerely,

Steven Martin
Treasurer
