REFERENCE: 12 DAY PRE-PRIMARY REPORT (04/01/2022 - 05/18/2022)

Dear Mr. Buhr:

This statement is in response to the Commission's letter to the Committee dated June 20, 2022, requesting additional information on two items related to the above-referenced report ("the Original Report").

The Commission's letter requests clarification regarding certain contributions disclosed on the above-referenced report appearing to exceed federal contribution limits. All of the contributions from individuals identified in the Commission's letter were properly and timely redesignated as is or will be reflected on either (as appropriate) the Amended Report being filed contemporaneously with this submission or on a subsequent Committee Report. The contribution from the PAC identified in the Commission's letter had an incorrect election designation that has been corrected and will be reflected on the Amended Report being filed contemporaneously with this submission.

The Commission's letter also requested clarification regarding activity that appears to be disclosed on the wrong line of the Detailed Summary Page. The transfer of excess funds to other authorized committees are disclosed on Line 18 and the contributions that are being returned are now correctly reflected via memo entries on Line 20(a) on the Amended Report being filed contemporaneously with this submission.

Please feel free to contact us if you have any further questions.

Sincerely,
Bradley T. Crate
Treasurer
