Conduit donations from October 11 - 17 were forwarded after October 17 and will be reported on the Post-General FEC report. RJC PAC's contribution limit was not impacted by conduit activity. The FECFILE software does not allow for Line 23 import of candidate name. That information can be found in the Address 2 field. The PAC has amended the 12 Day Pre-General report to fully itemize all conduit activity regardless of amount. The PAC has reported on Schedule B the net amount sent to each campaign per conduit donation. The difference between the gross amount donated by the donor and the net amount forwarded to the campaign is comprised of a processing fee to a vendor named Revv (as reported on Line 21b) and a small administrative fee retained by the PAC to fund the conduit program.
