The committee is in receipt of the letter dated 7/6/2023 and offers the following response : Payment was fair market value (usual and normal charge) for rental of recording studio (a campaign asset developed for the committee's own particular use, rather than for sale in a campaign fundraising activity with ascertainable market value), consistent with Advisory Opinions 1989-4, 1986-14, 1981-53, and 1979-24.
