Re: RFAI of 3/28/2023 RE: 2023 Year End Report
Jim Risch for U.S. Senate
Committee ID Number: C00440362

Dear Ms. Schleyer-Hinchey;

Please accept this correspondence in response to the above referenced RFAI.

1.The individual and the contributions identified in the RFAI as possibly being excessive were reviewed by committee staff. As you probably suspected from the reports using Rob and Robert, it was revealed to be a data entry error not a contribution error. The individual's contribution was inadvertently entered twice; once using his full first name Robert and once using the first name Rob. Our records confirm that Mr. Robert Granieri only contributed \$6,600 for this cycle and did so in the third quarter. The data entry error was due in part to the contribution being wired rather than being received through more traditional means.

Our database was updated to delete the duplicative entry and an amended Q3 report was filed to correct the record. The committee is reviewing reports filed subsequent to the Q3 report determine the need for additional amendments; if there is a need then amended reports be filed in short order.

2.The depository institutions referenced in your RFAI have been properly added to the Committee's database and an amended Statement of Organization was filed to reflect the same.

Please feel free to contact us if you have further questions or require further clarification.

Sincerely R. John Insinger, Treasurer
