Chris Coons for Delaware is in receipt of the FEC Request for Additional Information dated December 22, 2021.

The committee will file an amended 2020 30 Day Post-General Report to correct the errors identified in the Report's Summary Pages.

First State Victory Fund 2020 was a joint fundraising representative of Chris Coons for Delaware between February 4, 2019 and December 31, 2020. During this time Chris Coons for Delaware received \$32,691.65 in joint fundraising transfers from First State Victory Fund 2020, and \$35,775.00 in Schedule A memoed contributions.

Although the sum of the funds transferred from First State Victory Fund 2020 in the 2020 30 Day Post-General Report is indeed less than the sum of Schedule A memoed contributions, this is because fewer funds were previously transferred in anticipation of potential future expenses. As stated above, the overall sum of transfers from First State Victory Fund 2020 is less than the Schedule A memoed contributions.

It is our belief and understanding that Chris Coons for Delaware received and reported the proper amount of net proceeds from First State Victory Fund 2020.

Please do not hesitate to reach out if you need any additional information or have any questions.
