Re: Request for Additional Information, Tammy Baldwin for Senate (C00326801) July Quarterly Report
(04/01/2023-06/30/2023)

Dear Ms. Seiler,

This is in response to your letter dated August 6, 2023, concerning the July Quarterly Report (04/01/2023-06/30/2023) of Tammy Baldwin for Senate (the "Committee?").

1.All over limit contributions have been or will be refunded or redesignated.

a.The majority of the excess contributions from individuals were presumptively redesignated for the 2024 General Election, but due to an administrative error, the redesignations were not reported. The Committee will be amending its reports to show that the contributions in excess of the primary limits were presumptively redesignated for the general election.

b.A handful of additional contributions exceeded the limit for both the Primary and General election. The excess contributions were initially not discovered, largely due to duplicate entries in the Committee's system. The excess portion of these contributions are being refunded and the refunds will be reflected on the Committee's October Quarterly Report.

c.One excess contribution was refunded but the refund was inadvertently reported as a Primary Election refund. The relevant report will be amended to reflect the refund was for a General Election contribution.

d.The over limit amount of all contributions listed from PACs have been redesignated or refunded, and those redesignations and refunds will be reflected on the Committee's 2023 October Quarterly Report.

2.The excess portion of the contribution from Women Win Wisconsin PAC committee will be refunded, and the refund will be reflected on the Committee's 2023 October Quarterly Report.

3.The contributor in question contacted the Committee and confirmed in writing that he is a U.S. Citizen. The Committee has requested a copy of his passport, and will refund the contributions if a copy of the passport is not received.

4.The Committee has received letters from all unregistered organizations reported confirming that the organizations had sufficient federally permissible funds to make the contributions at issue as required by 11 C.F.R. § 102.5(b).

5.The report has been amended to add the individual contributor's information in the memo field for the refund.

6.As with the receipts from the U.S. Treasury on the Committee's April 2023 report, these receipts were income from the Committee's purchase of U.S. Treasury Bonds. The report has been amended to include this explanation in the notes field.

7.The Committee's Form 1 has been amended to include Blue Senate 2024 as a joint fundraising representative.

Thank you,

David Newby
