Ref: Amended July Quarterly Report (4/1/24-6/30/24), filed 8/15/24

Dear Ms. Seiler:

This letter is in response to your follow up request regarding the above referenced report.

1.Your letter indicates that the Committee may have accepted contributions from incorporated entities. The Committee verified that the contributions from BT Sundance LLC, Fasken Management LLC and Law Office are from permissible funds and partner attributions have been requested. The Committee will disclose the partner detail if and when it is received.

2.Your letter indicates that the Committee disclosed one or more contributions that appear to exceed the limits set forth in the act. The Committee is aware of the contribution limits. In the case of an individual, if the contribution cannot be presumptively reattributed to a spouse or redesignated to a subsequent election, the Committee either sends a verified reattribution letter or refunds the excessive portion within 60 days of receipt. The Committee sends all presumptive reattribution and redesignation letters within 30 days or receipt and always gives the donor the option of making a change or requesting a refund. When the Committee receives contributions from other political committees that cause an excessive total, the Committee contacts the other political committee and requests a verified redesignation. If this is not received, the Committee issues a refund. All donors listed as excessive in this letter have either been reattributed, redesignated or refunded. The following is a response to each contributor listed in your letter:

Daniel Bunn: A refund in the amount of \$2317.99 was issued 12/31/24 and a refund in the amount of \$10 was issued 6/30/25. Both refunds were disclosed on the regularly scheduled filings.

3.Your letter indicates that the Committee disclosed one or more contributions from LLC's that may be incorporated. The Committee verifies that all contributions from partnerships and/or LLC's and are made with permissible funds. The Committee also confirms that these entities are not treated as corporations by the IRS. In addition, the Committee requests partner attributions for all such contributions. If the Committee receives the partner attribution after the original contribution has been disclosed, the partner details will be disclosed as memo entries on a future report.

4.Your letter indicates that the Committee accepted contributions from political committees that are not registered
