To Whom it May Concern,

We are writing this letter to inform you that we would like to end the Super Pac, American Progressive Democratic Republicans for America, in any capacity. The effort was started as a class project but was never followed through with.

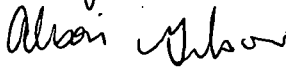

We apologize for any inconvenience that this has caused. If you have any further questions or concerns please feel free to contact Dr. Alison Dagnes, professor of political science at Shippensburg University at ADDagn@ship.edu.

Thank you, and again we apologize for any inconvenience or confusion that this has caused.
