Dear Ms. Ringgold:

This response addresses the Reports Analysis Division’s (“RAD”) Request for Additional Information (“RFAI”) dated September 18, 2025, concerning the Hudson for Alabama (“Committee”) July Quarterly Report (05/28/2025 - 06/30/2025).

Your letter indicates that on Schedule A of the Committee’s report there are one or more contributions that appear to exceed the contribution limits set by the Federal Election Campaign Act (the “Act”). The Committee is in full compliance with the Act. If the Committee did not receive the necessary donor acknowledgement for either reattribution or redesignation of an excess contribution, the contribution was refunded within 60 days of the date of receipt.

Regarding Peter Bizzarro: The initial contribution of \$3,500 on 6/10/2025 was the first contribution designated as Primary 2026 and did not cause the donor to be over limit. The second contribution of \$3,500 on 6/18/2025 did cause the donor to be over limit. This excessive contribution was reattributed to the donor’s spouse, Amy Bizzarro, and was reported accordingly on the October 15 Quarterly Report. The excessive contribution of \$3,500 on 6/27/2025 was redesignated to the Runoff 2026 election and was reported accordingly on the October 15 Quarterly Report.

Regarding Joel Colgrove: A portion of the excessive contribution was redesignated to the Runoff 2026 election, and the remaining portion was redesignated to the General 2026 election. Both adjustments were reported accordingly on the October 15 Quarterly Report.

Regarding Anna Comer: The excessive portion of the contribution was redesignated to the Runoff 2026 election and was reported accordingly on the October 15 Quarterly Report.

Regarding John Folkert: The excessive portion of the initial contribution of \$3,643.56 on 6/15/2025 was redesignated to the Runoff 2026 election and was reported accordingly on the October 15 Quarterly Report. The second contribution of \$3,643.56 on 6/15/2025 was partially redesignated to the Runoff 2026 election, and the remaining portion was redesignated to the General 2026 election. Both adjustments were reported accordingly on the October 15 Quarterly Report.

Regarding Ricky Herron: The excessive portion of the contribution was redesignated to the Runoff 2026 election and was reported accordingly on the October 15 Quarterly Report.

Regarding Thomas C Hudson: The excessive portion of the contribution was redesignated to the Runoff 2026 election and was reported accordingly on the October 15 Quarterly Report.
