FEC RFAI - September Monthly (08/01/2012-08/31/2012) - In response the Federal Election Commission's request for information regarding a potential excessive contribution from the International Longshoremen's Association Committee on Political Education (C00158576), the New Jersey Democratic State Committee (C00104471) has reviewed its files and determined that the contribution received on 08/24/2012 from this contributor did create an excessive contribution. To address this situation, the NJDSC has executed a refund of \$5000 to the contributor. The refund was processed on 02/15/2013 and will appear on the NJDSC's March Monthly Report.
