The purpose of this submission is to respond to the Commission's Request for Additional Information regarding the Committee's April Quarterly and July Quarterly Report.

Almost all of the Committee's remedial action, enumerated as follows, will take place on the Committee's next regular report.

Additional refunds were issued to Buffy Cafritz (8/16/2021), David Farrell (8/16/2021), James Hargis (8/23/2021), Sam Devinki (9/7/2021), John Brennan (8/16/2021), Dan Imhof (8/25/2021), Marilee Newkirk (8/25/2021), Michael Williamson (8/25/2021), Michael Haverty (8/25/2021). These will be reflected on the next quarterly report.

Additionally, additional general election refunds were made via transfers back to Joint Fundraising Committees. These transfers and the underlying transfer memos will be reflected on the next report.

A third-party fundraiser had this committee enrolled in a fundraising platform where contributors could make additional small contributions to federal candidates to compliment their underlying contribution. Although the committee disabled its online fundraising platforms following the candidate's announcement. The committee remained enrolled in this program and accepted a number of small contributions. Those were all refunded as of 9/3/2021 and will be reflected on the next report.

Additionally, the commission questioned several general election refunds because it appeared that no original contribution matching the refund was disclosed. Our review indicates that an accounting error resulted in the committee issuing an excessive refund to Jordan Bernstein and David Farrell. A refund was issued to Behrends Foster on 3/29/2021.

This corresponds to a contribution that Mr. Foster made on 2/22/2021. \$2000 was refunded to Raytheon PAC. This corresponds to two contributions, each \$1000, made on 6/18/2019 and 3/25/2019. The refund to John Smedile was a refund of an earmarked contribution made via Aristotle.

Additionally, the April Quarterly report will be amended to reflect necessary changes to election cycle and redesignation.
