This filing is in response to your Request For Additional Information letter dated 05/04/2022. In your letter you inquired about the credit to the debt owed to American Express on Schedule D of the Committee's April Quarterly Report.

As noted on the original report there were two contributions made to the DCCC of \$10,000 each. These contributions were made on the Committee's American Express credit card. Due to a software issue, it is not possible to memo the payment to American Express with a contribution to a political committee appearing on Line 21.

The Committee's notes regarding this matter can be found on Page 312 of the original report. Those notes reference the two contributions made to the DCCC correspond to the previously reported debt owed to American Express on Schedule D.
