hi

I spoke to our analyst Ian and he said to make a note here. We got our filing in time manually before Oct 15th but you were on shutdown. Ian just got back today 18th November and the mail room has not yet delivered mail. We did not know we

could file electronically. This is our first campaign and first filing. On November 13th i had a bad fall on concrete in remote area. I broke my foot and chest trauma. We are still three hours away from where the filing paperwork is and unlikely to be near it until next week- as I am still in medical treatment. I was in ER today again. Please bear with us. We are a small campaign and the first filing was only about \$6800 . We hope to get back to base and file that this week. I am still in severe pain with limited non weight bearing mobility. We will do our best to file next week. Thank you written by Anna Wilding Candidate ( injured party) James Sved ( Treasuerer- and caregiver ) +13108715350
