This transfer is being made from the DNC Federal account to the DNC Non-Federal - Individual account to correct errors in deposits of two contributions made during 1992. Due to a computer error, these contributions were inadvertently deposited into the DNC's federal account (Therefore, there was no intent by any donor listed below to exceed their legal contribution limit to the DNC in 1992). Once this error was discovered, the DNC immediately rectified the situation by making the transfer listed above.

The following list represents the amount allocable to each donor who was affected by this error:
