In reference to RFAI letter dated May 14, 2020, regarding the April Quarterly Report (01/01/2020 - 03/31/2020).

I declare that the receipts disclosed as Unitemized Contributions in the amount of \$12,669.10 on Schedule A do not include any contributions that aggregate greater than \$200 from any one individual/person in the calendar year.

I declare that the disbursements disclosed as Unitemized Disbursements in the amount of \$5,062.70 on Schedule B do not include any disbursements that aggregate greater than \$200 from any one individual vendor in the calendar year.

I declare that we have fixed software issues related to reporting that did not allow us to populate Line 11(a)(ii) of the Detailed Summary Page and unitemized disbursements. Future reports will report these amounts in the appropriate fields.
