Reference: APRIL QUARTERLY REPORT (01/01/2025 - 03/31/2025)

Dear Mr. Dobi:

This response addresses the Reports Analysis Division’s (“RAD”) Request for Additional Information (“RAI”) dated May 20, 2025, concerning Kiggans for Congress (“Committee”) April Quarterly Report (01/01/2025 - 03/31/2025).

Your letter indicates that on Schedule A of the Committee’s report there are one or more contributions that appear to exceed the contribution limits set by the Federal Election Campaign Act (the “Act”). The Committee is in full compliance with the Act. If the Committee did not receive the necessary donor acknowledgement for either reattribution or redesignation of an excess contribution, the contribution was refunded within 60 days of the date of receipt.

Regarding Laura C. Bohannon: The excessive contribution was attributed to the donor’s spouse, David Bohannon, and will be reported accordingly on the July 15 Quarterly Report.

Regarding John K. Freeman: The excessive contribution was partially attributed to the donor’s spouse, Sarah Freeman, and partially redesignated to the General 2026 election and will be reported accordingly on the July 15 Quarterly Report.

Regarding Thomas E McInerney: The Committee originally intended to remedy the excessive contribution via the next distribution from Grow the Majority Joint Fundraising Committee and Emmer Majority Builders Joint Fundraising Committee. However, since a distribution was not made within 60 days of receipt of the excessive contribution, the Committee has elected to refund the Joint Fundraising Committee directly so that the funds can be reallocated to the next participant in the waterfall according to the Joint Fundraising Agreement. The refund and reduction in the donor’s election to date aggregate has been processed and will be reported accordingly on the July 15 Quarterly Report.

Regarding Thomas J McInerney: The excessive contribution was redesignated to the General 2026 election and will be reflected on the July 15 Quarterly Report.

Regarding Herb Shear: The Committee originally intended to remedy the excessive contribution via the next distribution from Grow the Majority Joint Fundraising Committee. However, since a distribution was not made within 60 days of receipt of the excessive contribution, the Committee has elected to refund the Joint Fundraising Committee directly so that the funds can be reallocated to the next participant in the waterfall according to the Joint Fundraising Agreement. The refund and reduction in the donor’s election to date aggregate has been processed and will be reported accordingly on the July 15 Quarterly Report.

Regarding Jeffrey Silverman: This donor existed as a duplicate in the donor database. Once aware of the duplicate, the excessive contribution was refunded to the donor and will be reported accordingly on the July 15 Quarterly Report.

Regarding Bill M. Templeton: The Committee originally intended to remedy the excessive contribution via the next distribution from Kiggans Victory Fund Joint Fundraising Committee. However, since a distribution was not made within 60
